Some **panels** have made their own arrangements for chairs of their sessions; otherwise the default position for each Panel is as follows:

- a) the **last-named speaker** on the Programme chairs the panel session
- b) when it is the last-named speaker's turn to present, the **first-named speaker** on the Programme takes over as Chair
- c) each paper has **30 minutes** in total for presentation and discussion
- d) each panel can take its own decision about whether it is more appropriate to have all papers presented followed by discussion on all papers, or whether to have a short period of discussion after each paper presentation
- e) Chairs should do their best to prevent speakers from running over time.

For AFEP (FAPE) members and others:

- three **roundtables** will take place in theatre "K" on the afternoon of the 5th (Thursday) on the relationship between economists and economic power, on academic career rules, and on assessment. These roundtables will be in French, and all conference participants are welcome.
